

# Scout Klondike Derby

And

## Cub Snow Day

January 28, 2012

11:00 – 2:00

**Troops** pack your Klondike sleds with supplies and take a trip through the Alaskan wilderness. As you visit the towns along the way you'll test your scouting skills and be awarded gold for a job well done. Will yours be the richest troop at the end of the journey? The challenge is on!

**Cubs** take the trip by foot or by sled but no need to pack, you can travel light. Visit the towns for fun activities and put together a neckerchief slide along the way.

Some places you'll visit are **Glacier Bay** where you'll be fishing for snappers or learn what it takes to be a lumber jack in **Skagway**. Warm up in the town of **Coldfoot** with a cup of hot soup and beverage.
