Subject: Letter of Appreciation for Boy Scout Volunteer Services

On behalf of the staff and our clients of **Meals on Wheels of Syracuse**; I would like to thank you for providing **72** hours of volunteer service and assembling **2929** hot and cold meals during the final week of December 2009.

Please let the boys know that the time that they spent in food preparation and assembly, is a great example to our other volunteers of what scouting is all about. When scouts step up to help in time of need, everyone benefits, our staff, our clients, and the scouts. Since there was a competition among the scouts, attached is a breakdown of hours and number of meals assembled for each day of the week.

Again, I say thank you for your time and energy. Rest assured that those of our clients who have received meals that the scouts prepared, also express their thanks.

Sincerely:

Mason Kaufman
Executive Director
