

Cubs are ...

- Weekly fun and new skills
- Meeting friends
- Learning to work with other boys
- Outdoor adventure and education
- Helping others through respect for family and community values
- Parents working with parents to help boys grow
- Recognition which values and honors accomplishment

*... for boys aged 7 to 11 years
or in grades 2 thru 6*

You join a group of friends and together you explore many exciting things. You may be building Pine-wood Derby race cars or exploring a cave. You could be camping in a forest with your friends and family or playing baseball or soccer. You might have a picnic or go fishing. You might be playing games or building a tree house. The list of things Cubs do is huge!

Cubs help make the difference ...

Scouts are successful in their later lives.

- Cubs provides boys with a safe place to explore and discover life
- Cubs helps boys gain self-confidence, reliance, and independence
- Cubs challenges boys physically and intellectually!
- Cubs asks boys to do their very best!
