

Lions are ...

- Monthly fun and adventure
- Making friends
- Learning to do things with other boys
- Going new places
- Respect for family and community values
- Parents working with parents to help boys grow
- Developing life skills and good habits

... for kindergarten aged boys

Lions do lots of things together. You may go fishing. You might visit a museum or go to the zoo. You could tour a fire station. You might go to a movie or take a ride on a train. You can play sports and build things. You could compete in a Pinewood Derby. It's up to you and your parents to decide exactly what you'll do.

Lions help make the difference ...

Scouts are successful in their later lives.

- Lions provides boys with a safe place to have fun and make new friends
- Lions helps boys gain self-confidence, reliance, and discipline
- Lions challenges boys physically and intellectually!
- Lions asks boys to do their very best!

Count me in ...

- We would like to join Lions
_____ Now
_____ In the Fall
_____ In the Winter/Spring
- We would like to learn more about Lions. *Please contact us.*
