

# Tigers are ...

- Monthly fun and adventure
- Making friends
- Learning to do things with other boys
- Going new places
- Respect for family and community values
- Parents working with parents to help boys grow
- Recognition which values and honors accomplishment

*... for boys aged 6 years  
or in the first grade*

*Tiger Cubs do lots of things together. You may go fishing. You might visit a museum or go to the zoo. You could tour a fire station. You might go to a movie or take a ride on a train. You can play sports and build things. You could compete in a Pinewood Derby. It's up to you and your leaders to decide exactly what you'll do.*

## Tigers help make the difference ...

*Scouts are successful in their later lives.*

- Tiger Cubs provides boys with a safe place to explore and discover life
- Tiger Cubs helps boys gain self-confidence, reliance, and independence
- Tiger Cubs challenges boys physically and intellectually!
- Tiger Cubs asks boys to do their very best!
