

William Hillcourt Exceptional Scouter Award Nomination Form

Green Bar Bill lived Scouting every day of his life by following the Scout Oath and Law. No man has ever done more for the Boy Scouts of America than he did. It is only fitting that this award, to recognize scouting excellence, be named after the BSA's greatest Scout.

The emphasis for qualification for this award is "what has this person done for Scouting"? Other outside activities will of course count but we mainly want to know about this persons Scouting activities.
