

## CAMP CARD 2018 CAMPAIGN

### What is a Camp Card?

A SaveAround Camp Card provides individuals with numerous discounts to restaurants and retailers throughout Central and Northern New York. Each card is sold for \$10. Your unit will earn 50% (\$5.00 per card) of all sales!

### What is SaveAround Perks?

New this year, when an individual purchases a SaveAround Camp Card, the purchaser automatically receives a Savings Pass Number, giving them access to hundreds of nationally recognized vendors with even more savings!

### Why is it called the Camp Card?

Many units use the Camp Card campaign as a way for a Scout to earn his/her own way to summer camp. The Card may be used by a unit to help offset fees for a unit trip or many other activities.

### What makes the Camp Card better than other fundraisers?

There is no risk to your unit! All your unit needs to do is agree to participate in the 2018 Camp Card Campaign and request the number of cards your unit intends on selling. Once your unit has the 2018 Camp Cards, you will issue them to your Scouts. At the end of the campaign, your unit will return all unsold cards and 50% of the sales to the Longhouse Council. Each unit retains 50% of your total sales.

### How long is the sale?

The 2018 Camp Card Campaign will run from November 2017 to May 2018. Returns are due May 31, 2018. Payment is due 60 days after cards are received. If additional cards are needed, payment must be made for cards already taken. At the conclusion of the campaign, if cards are not returned by May 31<sup>st</sup>, your unit will incur a 10% reduction in your commission. Although we do not wish to impose this fee, we are optimistic that all units will cooperate with the terms of the sale.

### Why do customers support the Camp Card Campaign?

They are supporting a Scout earning his way to Scout activities. Secondly, it has a great prize point of \$10 which makes it very easy to support. The value of the card, plus the Perks, is worth much more than \$10.00.

### How do I sign up my unit?
