## LOWANNE NIMAT LODGE - WINNERS OF:

**2015 & 2016 E. Urner Goodman National Camping Award**  
**2015 & 2016 National Innovation Award**  
**2014, 2015 & 2016 National Service Award**  
**2016 National Service Grant Recipient Lodge**

The 2018 Vigil Weekend will be held June 9-10 at Camp Woodland. It will once again combine the annual Lowanne Nimat Vigil Honor Induction ceremony with camp service, good food and the opportunity for some great fellowship with old friends. We invite all dues-paid Vigil Honor members to join with their brothers and attend whatever portion of the weekend they are able.

The fee for the event is \$20.00 for full or partial attendance. This fee, in addition to covering food costs, helps defray expenses for this year's candidates. Please be sure to indicate which parts of the weekend you will be attending by checking the appropriate boxes during online registration. We ask that you register and pay by June 1, 2018.

This special weekend is the sole event hosted by the lodge exclusively for those who have kept the vigil and attained the Vigil Honor. Vigil members are leaders and it is important that they show their support for Camp Woodland and stand beside this year's group of excited and anxious candidates as they undergo this most solemn and personal experience. We hope you can make it.
