

### Campers:

- Wear comfortable, modest clothes to sleep in, such as sweats or pajamas. Please no sleeping in just underwear. The campers and staff are mixed genders.
- Bring: Toothbrush, toothpaste, sleeping bag, pad and pillow, camera, flashlight, and money for the science store or motion simulator.
- The MOST will provide snacks and drinks Saturday night and a light breakfast Sunday morning. You may bring your own snacks, but they must be eaten in the snack area. No food or drinks are allowed in the Exhibit Halls.

### Parents:

- **Please do not call the MOST with any questions regarding registration or program for Webelos at the MOST. Direct any questions you have to Longhouse Council at 315-463-0201.**
- Please notify us in advance if special arrangements are needed for food, medical, or physical disabilities.
- All gear should be clearly marked with the camper's name, and securely packed so that your camper can carry his/her gear with minimal assistance. We strive to minimize lost and found items so please be sure your camper takes home what he/she brings to the event.
- Campers may wish to purchase items in the science store or ride in the motion simulator so consider sending a few bucks with your scout in an envelope with your camper's name on it.
- Campers may arrive at the MOST Saturday evening at 6:00pm and depart Sunday morning at 8:30am for your travel planning purposes.
- Parking is available curbside and in any of the parking lots nearby including the lot through the tunnel. Do not park in neighboring business parking lots or any lot or areas marked "No Parking" as you will be towed. You are responsible for parking and towing expenses that you incur.
- **Please be aware that registration will close at midnight the Saturday before the event date on Tentaroo. Once registration closes you will not be able to register for that event date.**
