

## **Eagle Service Projects - Fundraising Application Information**

In the Project Plan (“Part 2”) portion of the Eagle Scout Service Project Workbook (No. 512-927), there is a Fundraising Application (“Application”) form.

For Eagle Scout Service Projects that will be funded by the Scout, his parents or relatives, parents or members in his unit, the chartered organization, or the beneficiary, this Application is not needed. However, for all other types of funding of the Service Project, such as by in-kind donations of materials, discounts, labor, etc., a Fundraising Application *is* required and it must be approved by a Council-designated representative. Refer to page B of the Application in the Workbook for additional information.

In Longhouse Council, a PDF or JPEG of the completed and signed Application should be emailed directly to the specific District Advancement Committee Chair for approval, **not** to the Council Service Center as noted on page B. The following lists current District Advancement Chairs:

<b><u>District</u></b>	<b><u>Advancement/Eagle Board Chair</u></b>	<b><u>Email address</u></b>
Cayuga District	Todd Green	<a href="mailto:tgreen57.tg@gmail.com">tgreen57.tg@gmail.com</a>
Interlakes District	Jack Harrington	<a href="mailto:jjbharr@verizon.net">jjbharr@verizon.net</a>
Northern Lights District	Joe Bouchey	<a href="mailto:shiconn@yahoo.com">shiconn@yahoo.com</a>
Oneida District	Dr. Bob Clark	<a href="mailto:docclark02@gmail.com">docclark02@gmail.com</a>
Onondaga District	Steve Fisher	<a href="mailto:stevefisher773@gmail.com">stevefisher773@gmail.com</a>
Ontario District	Terry Clark-Switzer	<a href="mailto:tswitzer@caracciolilaw.com">tswitzer@caracciolilaw.com</a>
Tri-Rivers District	Debbie Webb	<a href="mailto:twebb3@twcny.rr.com">twebb3@twcny.rr.com</a>

Take special note that if a Scout prepares the email, he **must** copy at least one other adult, preferably his parent/guardian and Scoutmaster, in compliance with BSA Social Media Guidelines.

It should be noted that under item number 8 on page B, there is discussion about certain “exempt activities” that may not require an Application subject to council approval. Be advised that the Longhouse Council Advancement Committee has **not** adopted such policy(s) as of this date. Therefore, a Fundraising Application is required for all fundraising that does not fall into the category first described above.

P.S. Here’s a link to the “Service Project Workbook”, FYI:
