

Eagle Application Reference Letter Policy

Please refer to the attached Reference Letter Policy for Eagle Scouts. A few revisions have been made since last issuance, and new Scouters may not be aware of it.

A couple of items to address:

1. A copy of the Policy should be provided to each reference by the Eagle Scout candidate;
2. Once the Scout makes arrangement with the reference, that is the extent of his involvement (see Guide to Advancement, Article 9.0.1.7, 2nd paragraph); and
3. The Scoutmaster should make sure at least five (5) references are listed on the Application (six references if the Scout is employed).

If you have any question, please contact either the Committee Staff Advisor at the Council offices, or me.
