

Alternative Rank Requirements & Alternate Eagle-required MB's

As a Scoutmaster in Longhouse Council, the Council Advancement Committee (Committee) would like you to be aware that alternative rank requirements may be available to Boy Scouts with special needs for all ranks up through First Class. In addition, alternate merit badges may be approved for Eagle-required merit badges for these Scouts. Some of these options may be available to other scouts also, such as Venture and Sea Scouts.

The procedure generally requires that the Scout first complete all requirements for the rank in question, or he should complete all Eagle-required merit badges that he can. Then he should apply for approval of alternate requirements to the Council Advancement Committee. This request should be made by his parent/guardian and his unit leader according to the procedure outlined in the latest edition of the “Guide to Advancement” (Guide), Article 10.2.2.0. More specific information is found in Articles 10.2.2.1 and 10.2.2.2 for rank requirements and Article 10.2.2.3 for alternative merit badges for the Eagle Scout rank. It is suggested that interested parties read Chapter 10 in its entirety.

It should be noted that these approvals do not involve an extension to complete the work beyond the Scout's 18th birthday. If required, that is a separate procedure (refer to the previous “News You Can Use” issued in April 2016).

If you have any question, please contact either the Committee Staff Advisor at the Council offices, or me.
