

Eagle and Summit Award Service Projects - Fundraising Application Information

And

In the Eagle Scout and Venturing Summit Award Service Project Workbooks (No. 512-927 and No. 512-938 respectively), there is a Fundraising Application (“Application”) form.

For Eagle Scout and Summit Award Service Projects that will be funded by the Scout/Venturer, his/her parents or relatives, parents or members in his/her unit, the chartered organization, or the beneficiary, this Application is not needed. However, for all other types of funding of the Service Project, such as by in-kind donations of materials, discounts, labor, etc., a Fundraising Application *is* required and it must be approved by a Council-designated representative. Refer to page B of the Application in the Workbook for additional information.

In Longhouse Council, a PDF or JPEG of the completed and signed Application should be emailed directly to the specific District Advancement Committee Chair or Venturing Summit Award Board Chair for approval, **not** to the Council Service Center as noted on page B. The following lists current Chairs:

<u>District</u>	<u>Advancement Chair</u>	<u>Email address</u>
Northern Lights District	(vacant)	Joe Bouchey; shiconn@yahoo.com
Oneida District	Adam Selsley	aselsley@gmail.com
Onondaga District	Steve Fisher	stevefisher773@gmail.com
Ontario District	Heather Stevens	dstevens@incpark.com
Towpath District	Mary Alice Waddington	mawadds@yahoo.com
Tri-Rivers District	(vacant)	Debbie Webb: twebb3@twcny.rr.com
Summit Award Board Chair	Mike Cummings	mikecumings157@yahoo.com

Take special note that if a Scout/Venturer (under 18 years old) prepares the email, he/she *must* copy at least one other adult, preferably his/her parent/guardian and Scoutmaster/Crew Advisor, in compliance with BSA Social Media Guidelines.

Unit leaders are advised that, where a scout’s/venturer’s Fundraising Application indicates “crowdfunding” is proposed to be used, special considerations are warranted. Refer to the latest edition of BSA’s “Guide to Advancement”, Article 9.0.2.10, for additional information.

It should be noted that under item number 8 on page B of the Application, there is discussion about certain “exempt activities” that may not require an Application subject to council approval. Be advised that the Longhouse Council Advancement Committee has *not* adopted such policy(s) as of this date. Therefore, a Fundraising Application is required for all fundraising that does not fall into the category first described above.

If you have any question, please contact either the Committee Staff Advisor at the Council offices, or me.

In Scouting,
Steve Fisher
Council Advancement Committee Chair,
stevefisher773@gmail.org
