BSA Lifeguard certification is offered. You must be 15+ years old and already have CPR certification. Course runs all day, every day, starting at 9 AM at the waterfront. Sign up on the Sign up sheet with Merit Badges.																	
All classes do require that scouts check in periodically with their Instructors; as well, all merit badges will require work both during and outside of scheduled sessions. Scouts who do not complete all requirements for a merit badge will receive a "partial" blue card with signoffs for those requirements which were completed.																	
* = An astericks (star) dictates that this merit badge requires one or more pre-requisites before camp to be completed, refer to the pre-requisite/more information form on specific pre-requisites for individual merit badges.
