

Eagle Quest August 2-6, 2021.

Eagle Quest Week at Camp Woodland is a week that will not only prepare you to achieve the rank of Eagle Scout, but it will teach scouts skills they can use in their everyday lives. There will be teambuilding and other activities to build confidence and communication skills. Scouts will learn more about the Scouting movement and how to become better leaders. We will also show scouts that the Eagle Scout rank is not the end of their time and experiences in scouting.

In addition, scouts will have the opportunity to possibly earn the following Merit badges which can be used for rank advancement including their Eagle Scout rank: Scouting Heritage, Public Speaking, Communications and Sustainability.
