

## Zabriskie Memorial Golf Tournament

John L. Zabriskie was a jovial and affable man; his enthusiasm was contagious and he spent his energy freely. His sphere of activity reached all facets of the community working in virtually every capacity. John was involved with the Red Cross, Civil Defense, Salvation Army, and the Holland Society of New York. He was president of the Cayuga County Council at the time of his death. For the Boy Scouts, John contributed over 40 years of dedication and support to an organization he loved.

Lesley Wead came to Aurora in 1939 to teach physical education at Wells. In 1946, she married John Zabriskie. As a young woman, Les was a competitive athlete playing semi-professional basketball, national field hockey tournaments, was named All-American in a Lacrosse and served as President of the U.S. Women's Lacrosse Association. Les was active with the Sherwood PTA, volunteered at the hospital, and served on the Board, was Trustee of Wells College and supported international efforts such as Project Hope and cancer research. She favored the Cayuga County Council, BSA.

The Zabriskie Memorial Golf Tournament is held each year in appreciation of John and Les Zabriskie for their involvement and support to the community and the Boy Scouts of America. The Longhouse Council thanks Steve Zabriskie for continuing on with the tradition of offering the Zabriskie Memorial Golf Tournament, commemorating John and Les Zabriskie.

## Your Support Makes a Difference

### In the lives of local youth

The Longhouse Council supports weekly activities for more than 2,700 youth and 1,250 adult volunteers. We provide Scout programs that promote positive development through mentoring and engaging youth in opportunities for individual growth and community connectedness.

Youth in six counties in Central New York have year round opportunities to attend programs at our two camps: Camp Woodland and Sabattis Scout Reservation. At these camps Scouts engage in a variety of activities through which they learn and develop new skills and have a lot of fun!

### In our communities

It is a well known fact that Scouting is good for the health of communities. In 2021 Scout units in Longhouse Council provided over 36,000 hours of service to their communities.

Financial support is vital for the continuation of our Scout programs. Your participation helps to ensure the success of local Scouting. On behalf of the Longhouse Council, thank you for your support!
