

What is the Unit Leader's Role?

The Unit Leader must:

1. Approve the youth's application.
2. Ensure that each youth leader has completed Introduction to Leadership Skills for Troops/Crew training.
3. Work with the youth leader to help him/her complete his/her personal vision, goals & plans that they will write during NYLT that will help your unit improve or make him/her a better leader.

How is the NYLT Conference set up?

NYLT is a six-day course. The six-day course schedule parallels the program month of a typical Scouting unit. The patrol method is used extensively throughout the training. Patrols are on their own to set up campsites, cook meals, and carry out other activities without direct adult supervision. A Troop Guide is assigned to each patrol to advise and be a resource to the participants throughout the learning process. The Troop setting provides an opportunity for youth to practice the newly learned skills providing the home unit with improved effectiveness and enthusiasm from the youth leaders. Troop instructors will help guide their learning. The training guidelines and rules are the same for those found in the Scout Oath & Law, the Outdoor Code, and other national and council practices and procedures.
