Guide for Scouts and Scouters

What's a Cub Scout Snowbox Derby??

In the snowbox derby scouts race 'sleds' made from cardboard and duct tape down a snow covered hill. Usually the scouts work together to make derby sleds as a den, pack or sibling groups.

Snow Box Construction

- Snow Boxes can be constructed using only cardboard, paint, tape or glue, including decorations.
- No Metal or Plastics of any kind can be used. (staples, tacks, nails, food trays etc.).
- Snow Boxes can be no wider than six (6) feet.
- Snow Boxes must have sides all the way around of at least six (6) inches.
- All Snow Boxes must be inspected on the day of the race at by a Judge.

The Musts

- All participants Must fit entirely in the Snow Box.
- **Must wear a helmet.**
- Must sit or lay feet first in the Snow Box.

We are carrying on that tradition! Get your sled ready!!!

The 2022 Crossroads District Snowbox Derby will be a fun filled days' worth of events that every cub scout will enjoy. Join us for a day full of winter events.

**Parents need to accompany their scouts throughout the day's events.

Health Officer/Lodge: The health lodge is located inside Stickley.

Health forms are required to be turned in for this event, unit leaders are responsible for this.

Weather: The weather during previous Snowbox Derby's has varied from above freezing to below freezing with layers of snowpack. All scouts and their parents must be appropriately dressed for the weather or they will not be allowed to participate. Consult your Scout Handbook or review your cold weather training for appropriate clothing for the weather of the day.

Volunteers: May/will be needed!!! If any adults are able to assist during the day of the event please let Klondike Coordinator Mike Cargill – cargillmj@gmail.com, know so he can put them where they can best be used throughout the event.

Other General Policies of Longhouse Council and Camp Woodland:

- Following BSA Guidelines there is no smoking on the grounds of Camp Woodland at any time.
- Please do not bring pets of any kind to this event (Service Dogs exempted.)

Events (Cub Scouts)

Sled Judging (this is a scored event!)

Located at registration. All personal outerwear and sled equipment will be checked. After inspection, scouts will need to remain with their sleds. Equipment may not be removed or added after completing inspection. This years them is Tropical Luau – sleds will be judged for most creative.

Station 1: Snowball Toss

Each den should work as a team to create as many snowballs as possible in three minutes, and then hit targets of varying values. Most points wins.

Station 2: OP' Fashion Tug of War

In the Klondike pulling equipment up the mountain was essential. Practice your pulling and tugging skills with a good OP' Fashion Tug of war.

Station 3: Snowshoeing

In this station the scouts will be able to try on some snowshoes and work together on board shoes.

Station 4: Ice Rescue

Traveling over ice is just part of the Klondike. In this station patrols will simulate how to rescue someone who has fallen into the ice without putting themselves or their patrol in danger.

Station 5: Pile On

How many can you carry? When moving equipment through the Klondike, the more that you can carry the fewer trips you have to take. How many snowballs can you pile on a Frisbee and carry it to its destination.

Station 6: Relay Race

Getting to your destination as fast as you could, means possible more gold. How fast can your team run?

Station 7: Firestarting

Learn how to start a fire with flint and steel. Can you get your cotton ball to light?

Final Event: Will be the all famous sledding of the snowbox derby sleds. See attached information on how to make these sleds.

Scoring and Points: The scoring and point system will be very liberal and administered by each station attendant. Station areas are considered ground, behavior, and attitude will be considered by the Attendant and their assistants. Scout skills should be sharp, scout smiles should be bright and Scout Spirit should be high! Good Luck!
